

CardSwap

A single spot to update your payment information for over 150 merchants when you receive a new KCU debit card.

1. Log into Digital Banking

2. Select “CardSwap”

Mobile App Users: select “Menu” in the top left corner, select “Services” and then select “CardSwap”.

Desktop Users: in the left hand navigation, select “Services” and then select “CardSwap”.

3. Choose Your Merchants

Click the merchant you would like to update and click “Next Step.”

4. Enter Your Payment Information

Enter your new KCU debit card information and click “Verify Card.”

5. Verify Your Merchant’s Account Login

Enter login credentials for each of the merchants you selected and click “Link Account.” Your payment information is now updated.
